

HAL\_ADC\_ConvCpltCallback

```
graph LR; A[HAL_ADC_ConvCpltCallback] --> B[tasks_critical_left]; B --> C[saturate_voltage];
```

A flowchart illustrating a sequence of three components. The first component, 'HAL\_ADC\_ConvCpltCallback', is in a white box with a black border. A blue arrow points from it to the second component, 'tasks\_critical\_left', which is also in a white box with a black border. Another blue arrow points from the second component to the third component, 'saturate\_voltage', which is in a gray box with a black border.
